PRODUCT DISCLOSURE STATEMENT

ABOUT THIS PRODUCT DISCLOSURE STATEMENT

This Product Disclosure Statement (PDS) contains information designed to help You make an informed decision about whether to purchase the Mechanical Breakdown Warranty. This PDS was prepared on 1st of November 2023. Certain words have special meanings which are explained in the Definitions section of the Terms and Conditions.

UPDATING THE PDS

We may need to update this PDS from time to time if certain changes occur when required and permitted by law. We will issue You with a new PDS or a supplementary PDS or other compliant documents to update the relevant information except in limited cases, such as, where the information is not something that would affect You negatively, where We may issue You with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy free of charge by contacting AWN using Our details provided in the next section of this document.

DISCRETIONARY RISK OF THE MECHANICAL BREAKDOWN WARRANTY

AWN has discretion as to whether it will or will not pay a Claim that falls within the Mechanical Breakdown Warranty Terms and Conditions and Limitations. AWN will not exercise that discretion in a way that is unfair and unconscionable, within the Terms and Conditions and limitations of the Mechanical Breakdown Warranty and will always consider the merits of the Claim and the requirements of the applicable State and Commonwealth legislation.

We also have a comprehensive Complaints Resolution Process which is explained in Section 19 of this document.

As this Mechanical Breakdown Warranty is a discretionary product it does not offer the same level of protection as an insurance product. The level of protection is limited to the Covered Components listed under the heading Significant Characteristics of this Mechanical Breakdown Warranty only. However, AWN has satisfied the Australian Securities and Investments Commission (ASIC) requirements for an Australian Financial Services Licence.

This Mechanical Breakdown Warranty is not associated with the manufacturer of Your Caravan nor is it an extension of any warranty that was provided by the manufacturer or the Selling Agent. Claims against the manufacturer or the Selling Agent may be available under the Australian Consumer Law. This Mechanical Breakdown Warranty is not a repair or maintenance program for Your Caravan.

There is also a risk when purchasing this Mechanical Breakdown Warranty that one or more of Your Claims may exceed the applicable Benefit Limit for a particular Covered Component under this Mechanical Breakdown Warranty.

Detailed information about the Mechanical Breakdown Warranty Benefit Limits for each benefit under Your Mechanical Breakdown Warranty is listed under the "Warranty Cover" in Section 2. There is also a risk that if You fail to meet any of the conditions set out in this Mechanical Breakdown Warranty Contract, AWN may not exercise its discretion in Your favour. Make sure You carefully read the Terms and Conditions for details of the servicing and other conditions that apply to this Mechanical Breakdown Warranty.

BENEFITS OF THE MECHANICAL BREAKDOWN WARRANTY

This Product will benefit You should a mechanical breakdown occur, and that mechanical breakdown is caused by a defect, failure or fault of a Covered Component under the terms of this Mechanical Breakdown Warranty. In the event of a mechanical breakdown, Covered Components will be rectified up to the limits allowed. Terms of coverage and limits of liability are set out on the following pages.

The Mechanical Breakdown Warranty terms and limits of liability should be read in conjunction with Your Obligations (Section 8 of the Terms and Conditions).

The cover provided by this Mechanical Breakdown Warranty saves You the cost of repairs should a mechanical breakdown in a Covered Component occur. Further, AWN's experience, knowledge and expertise allow AWN to direct Your Caravan to the closest Approved Repairer. Parts for repairs can generally be sourced at a lower cost by AWN, which also represents a saving to You where a Claim may exceed the limits of Our liability.

COST OF THE MECHANICAL BREAKDOWN WARRANTY

The cost of the Mechanical Breakdown Warranty is dependent on the type of Caravan and the cover term You select. In addition to the retail Mechanical Breakdown Warranty price, You also need to pay any applicable Commonwealth and State taxes and charges, such as Goods and Services Tax (GST) and Stamp Duty. The retail Mechanical Breakdown Warranty price and the amount of these taxes and/or charges will be shown on Your Product Schedule.

The cost of the Mechanical Breakdown Warranty will also be determined by the payment method used by You. If the Mechanical Breakdown Warranty is financed or if You use a credit card, interest charges may apply but will differ depending on Your provider. Administration charges may also apply if You select to pay by instalments option.

COOLING OFF PERIOD

You may cancel this Mechanical Breakdown Warranty for any reason within 30 days from the Application Date of the Product by notifying Us in writing, or by calling Us or emailing Us at claims@theclaimshub.com.au. This is known as the "Cooling Off Period". You will need to return the Product Schedule to Us, together with a letter to request cancellation of the Mechanical Breakdown Warranty during the Cooling Off Period. If the Mechanical Breakdown Warranty has been issued to more than one person each person must sign the cancellation request. Provided no Claim has been paid or You have not made a valid Claim, We will refund the Premium paid, less any taxes or duties We cannot recover from other sources. After the Cooling Off Period ends You still have cancellation rights (see Section 13).

QUALITY GUARANTEE

All repairs to Covered Components authorised by Us prior to the commencement of work will also be covered by this Product for the remaining period of cover under this Mechanical Breakdown Warranty. You may also have the additional benefit of consumer guarantees under the Australian Consumer Law in relation to the quality of the repairs and any replacement components. Please tell Us if You are not satisfied with the authorised repairs.

PAY BY INSTALMENTS

You can choose to pay the Premium in instalments to help spread Your payment over time. This facility is not part of the Product Terms and Conditions as it is an additional service provided by a third-party provider, independent of AWN. Additional administration charges may apply to use this facility; therefore the cost may be more than if You choose to pay the full Premium by a single payment. The third-party provider, if required, will provide any disclosure documentation for Your perusal and acceptance if You select this payment option.

The following additional conditions apply using the pay-by-instalments option:

- If You are paying by instalments and an instalment remains unpaid for 14 days or more, without notice to or arrangement with the third-party provider, We may refuse a Claim.
- If an instalment remains unpaid for a period of one month past its due date, We can, after giving notice to You, cancel the Product.
- If You have an authorised Claim during the pay-by-instalment term, We may, after giving notice to You, deduct any outstanding instalments from the Claim amount We authorise.
- If You transfer the Product to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Product can be transferred (see Section 14 for all other Transfer details).
- If You fail to make a payment or repayment of the Instalment Plan in full by the due date the provider may, at its absolute discretion, charge a late fee proportionate to the additional fees and administrative duties applicable to the transaction.

SUMMARY OF RIGHTS AND REMEDIES UNDER THE ACL

The protection afforded to You under this Warranty is in addition to and does not substitute for, the rights You have under the Australian Consumer Law (ACL). If and to the extent that You have a right to claim under the ACL, You may also need to claim under Your Warranty when not covered by the ACL.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ('Consumer Guarantees') at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the age, cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer's Warranty for the goods or this Warranty. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Your Caravan may also have an additional Selling Agent Statutory Warranty. The provisions of such warranties vary from State to State. Any Selling Agent Statutory Warranty may be in addition to or overlap the ACL and may also operate concurrently with the ACL.

ADDITIONAL BENEFITS UNDER THIS MECHANICAL BREAKDOWN WARRANTY NOT AVAILABLE UNDER THE ACL

We appreciate that You may want the certainty of knowing that, if the Caravan You buy is faulty, it is covered for specific events and a specific time period.

When You purchase AWN's Warranty You are obtaining certainty as to the period of coverage and the remedy You will receive and the convenience of having the repair and/or replacement process managed for You by AWN and work undertaken by an Approved Repairer. You will be entitled to the benefits set out in this Warranty that are not available under the ACL which, subject to the terms and conditions of Your Warranty, they are:

- Certainty as to the exact period of cover You have for Your Covered Components;
- Specific repair time guarantee provided by repairers (dependent on diagnosis and parts availability);
- Expert advice and assistance;
- Specified cover amounts and Additional Benefits; and
- A network of Approved Repairers.

It is Your choice as to whether You buy the Warranty and it is Your choice as to whether You choose to seek a remedy from AWN under the Warranty or whether You directly seek a remedy from the Selling Agent who supplied You the Caravan or the Caravan manufacturer.
